La Capitol FEDERAL CREDIT UNION

La Oops: Overdraft Courtesy Call Service Agreement

☑ ***YES!*** I want to take advantage of La Oops, La Cap's courtesy telephone call service, to avoid having any return items on my La Cap Checking Account.

(Please Print)

Name _____

Member Number _____ Two Digit Checking Acct. No. _____

Home Phone (____) _____ Work Phone (_____) _____ ext. _____ Cell Phone _____

I hereby request that the La Oops overdraft courtesy call service be initiated on my La Cap Checking Account indicated above. I understand the charge for the service will be $60 annually, charged to the Checking Account identified above. In addition, there will be a charge of $5.00 per each attempted call. Should I close the account (or should La Cap close my Account for excessive overdrafts-/NSF's) or should I discontinue La Oops service during any month, the fee for that month will NOT be refundable.

I understand that upon signing this agreement and paying the first month's fee, La Cap will attempt to contact me by telephone at the numbers I have indicated above, on each day that items attempt to clear my Checking Account and sufficient funds are unavailable to cover the amounts of these checks. If a deposit is not made to cover the insufficiency prior to the time deadline for the La Cap office handling my account, the item(s) will be returned unpaid. The overdraft/NSF fee of $30.00 per item remains applicable and will be charged, regardless of the La Oops service.

I further understand that I am responsible for notifying the Checking Account Officer (at the La Cap office that handles my account) of any change in the phone number(s) I have provided.
