

This is your bill paying agreement with La Capitol Federal Credit Union.

You may use La Capitol Federal Credit Union's bill paying service, Bill Pay, to direct La Capitol Federal Credit Union to make payments from your designated checking account to the "Payees" you choose in accordance with this agreement. Instructions for Setting up Payees & Payments:

- The Financial Institution reserves the right to refuse the designation of a "Payee" for any reason.

Payments: You may add a new payment to a "Payee" by accessing the service and entering the appropriate information. Most other additions, deletions, or changes can also be made by using the service.

- You may pay any "Payee" with-in the United States (including U.S. territories and APO's / AEO's).
- The Financial Institution is not responsible for payments that cannot be made due to incomplete, incorrect, or outdated information.

The Bill Paying Process

Single Payments – A single payment will be processed on the business day (generally Monday through Friday, except certain holidays) that you designate as the payment's processing date, provided the payment is submitted prior to the daily cut-off time on that date. The daily cut-off time, which is controlled by the Financial Institution, is currently 2:00 p.m.

A single payment submitted after the cut-off time on the designated process date will be processed on the next business day. If you designate a non-business date (generally weekends and certain holidays) as the payment's processing date, the payment will be processed on the first business day following the designated processing date.

Recurring Payments – When a recurring payment is processed, it is automatically rescheduled by the system. Based upon your selected frequency settings for the payment, a processing date is calculated for the next occurrence of the payment. If the calculated processing date is a non-business date (generally weekends and certain holidays), it is adjusted based upon the following rules:

- If the recurring payment's "**Pay Before**" option is selected, the processing date for the new occurrence of the payment is adjusted to the first business date prior to the calculated processing date.

- If the recurring payment's "Pay After" option is selected, the processing date for the new occurrence of the payment is adjusted to the first business date after the calculated processing date.

Note: If your frequency settings for the recurring payment specify the 29th, 30th, or 31st as a particular day of the month for processing and that day does not exist in the month of the calculated processing date, then the last calendar day of that month is used as the calculated processing date.

Single and Recurring Payments

The system will calculate the Estimated Arrival Date of your payment. This is only an estimate, so please allow ample time for your payments to reach your "Payees".

Cancelling a Payment

A bill payment can be changed or cancelled any time prior to the cutoff time on the scheduled processing date.
